1 DAP OPERATING AGREEMENT

By and Between

THE CITY OF DURHAM, NORTH CAROLINA

and

MILB MANAGEMENT LLC

A North Carolina Non Profit Subsidiary Limited Liability Company

This Operating Agreement (the "Agreement") is dated, made, and entered into as of the 31st day of December, 2007, (the "Effective Date") between the CITY OF DURHAM ("Owner" or "City") and MILB MANAGEMENT LLC, a North Carolina non profit subsidiary limited liability company ("OPERATOR") of which THE NATIONAL ASSOCIATION OF PROFESSIONAL BASEBALL LEAGUES, INC. ("NAPBL"), a non profit corporation organized under the laws of the State of Florida, having its principal place of business at 201 Bayshore Drive Southeast, St. Petersburg, FL 33701 is both the sole member and manager.

WITNESSETH:

WHEREAS, the Owner owns Durham Athletic Park (hereinafter "DAP") located in Durham, North Carolina; and

WHEREAS, the Owner is undertaking certain renovation to the DAP and desires to engage Operator to manage and operate the DAP.

NOW, THEREFORE, for and in consideration of the mutual terms and conditions hereinafter contained, and other good valuable consideration, the receipt and sufficiency all of which are hereby acknowledged, the Parties agree as follows:

1.0 PURPOSE AND ENGAGEMENT

The City of Durham, as owner of the DAP and DAP Real Property, is responsible for ensuring that the DAP is preserved for both public uses and uses that benefit the citizens of the City of Durham. The Owner finds that the Operator possesses highly-skilled and qualified management experience necessary to fully utilize and preserve the DAP as a unique and historic athletic facility for the City of Durham. In conjunction with the planned renovation of the DAP, the City hereby engages the Operator, subject to the terms and conditions of this Agreement, and Operator hereby accepts such engagement, to be the sole and exclusive manager of Events to be held during the Term of this Agreement with sole responsibility, control and discretion in the operation, direction, management and supervision of the Events.

2.0 DEFINED TERMS

2.1 Acceptance Date. "Acceptance Date" shall mean the date of issuance of the final unconditional Certificate of Compliance for the renovation of the DAP, issued by the Durham City/County Department of Inspections. The Acceptance Date may also be an earlier date mutually agreed to by the Parties.

2.2 Annual Independent Audit. "Annual Independent Audit" shall mean the audit of the DAP operations prepared by the Independent Accountant at the end of each Calendar Year, or in the event that the first year of operations is less than one full Calendar Year, at the end of such partial Calendar Year. The Annual Independent Audit shall contain the Certified Financial Statements including a report on the number and types of Events that were held.

2.3 Business Day. "Business Day" shall mean a day that is neither a Saturday, Sunday, nor a holiday observed by city government of the City of Durham. See City Code Sections 14-16(a) and 14-16(b), as amended from time to time, for information on such holidays.

"Capital Expenditures" shall mean expenses for routine and non-routine repairs, alterations, renewals or replacements to or of the DAP Real Property or each Unit of FF&E that have a cost equal to or greater than \$3,250 for each individual repair, alteration, renewal or replacement.

For trademarks developed that include both DAP elements and non-DAP elements the City shall have sole ownership over the DAP elements and Operator or NAPBL shall have sole ownership over the non-DAP elements. 674 locations in the DAP Real Property in prominent locations to be used by NCCU sponsors
675 or advertisers during NCCU's games for the purpose of generating advertising revenues
676 exclusively for NCCU. The location, type and size of advertising space reserved for
677 NCCU use shall be agreed upon between the Operator, Owner and NCCU.

678 679 **9.0 OPERATOR ANNUAL PROGRAMS LIST AND CITY RESERVED** 680 **EVENTS CALENDAR**

682 Prior to January 1 of each Calendar Year, Owner and Operator shall meet and
683 confer to develop calendaring of Events for the upcoming Calendar Year. The Operator

689 rental fees shall be indicated, if applicable. The City Reserved Events Calendar shall
690 show each month of the Calendar Year and the date and time(s) of the Event or Event
691 Block. A sample of the Operator Annual Programs List is provided as Exhibit C and the
692 City Reserved Events Calendar as Exhibit D.

695
696 **10.1 Operating Fee.** Owner shall pay Operator an annual operating fee of
697 Thirty-Five Thousand Dollars (\$35,000.00) per Calendar Year during the Term of the
698 Agreement. Payment of the Operating Fee shall be made in twelve (12) equal monthly
699 installments, with the first payment due upon the Acceptance Date. The Operating Fee,
700 and monthly installment (if applicable), shall be prorated, as appropriate, for any partial
701 Calendar Year, or calendar month, that the Term may run.
702

703 **10.2 Potential Operating Deficits.** Except to the extent that (a) Force Majeure
704 events and acts prevent Operator from holding Events safely and in compliance with
705 Legal Requirements, and (b) except to the extent that City breaches its obligations under
706 this Agreement to make Capital Expenditures that are necessary and which prevent the
707 Operator from holding Events, Operator shall guarantee all annual Operating Deficits for
708 the DAP for the duration of the Term. If Operator terminates this Agreement because of
709 City's material breach of this Agreement, the preceding sentence does not require
710 Operator to guarantee Operating Deficits that accrue after the termination. If there is an
711 Operating Deficit in the operation of the DAP during the Term, Operator shall continue
712 to fulfill all of its obligations in this Agreement and shall not look to the City for
713 additional money to make up any of the Operating Deficit. For instance, if for any reason
714 Gross Revenues are less than the cost borne by Operator to maintain and operate the DAP
715 as required and to perform all of its other obligations under this Agreement, Operator
716 shall not be entitled to receive any money from the City except whatever money the City
717 is required to pay under this Agreement.
718

719 **10.3 Operating Budget.** Operator shall exclusively manage the day-to-day
720 operations of the DAP. The Operating Budget shall be the responsibility of the Operator
721 and funded from Gross Revenues, provided that the preceding clause does not limit
722 section 10.2 (Potential Operating Deficits). A copy of the Operating Budget shall be
723 provided by the Operator to the City for informational purposes not less than 60 days
724 before the end of each Calendar Year. The Operator shall provide to the City for
725 informational purposes, not less than 60 days before the Acceptance Date, the Operating
726 Budget for the period from the Acceptance Date through the next December 31. The
727 Operating Budget (Exhibit B) shall also include the projected number and types of Events
728 for the first full Calendar Year.
729

730 **10.4 Annual Independent Audit.** Operator shall present to the City, within
731 120 days after the end of each Calendar Year, a draft Annual Independent Audit. The
732 Parties shall have 30 days thereafter to review and comment. If neither Party provides
733 comments for the Independent Accountant within that 30-day review and comment
734 period, then the draft Annual Independent Audit shall be considered the final Annual
735 Independent Audit. If either Party makes such comments, then the Operator shall present
736 the final Annual Independent Audit to the City no later than 30 days from the end of the
737 30-day review and comment period. The cost of each Annual Independent Audit shall be
738 treated as an Expense. Any additional audit work (not required as part of the Annual
739 Independent Audit pursuant to other sections of this Agreement) will be paid for solely
740 by the requesting Party. The City's communications to the Independent Auditor will be
741 done through the Operator rather than directly to the Independent Auditor.

Notwithstanding the preceding sentence, the City shall be entitled to communicate directly with the Independent Auditor regarding inquiries and clarifications regarding the Annual Independent Audit.

10.5 Right to Inspect Financial Records and Accounting Information.

Notwithstanding the Annual Independent Audit, and upon 5 days advance notice, the City shall have the right to inspect all of Operator's financial and accounting records relating to the operations and management of the DAP pursuant to this Agreement.

10.6 Distribution of Operating Profit to City. If an Operating Profit is made at the end of the Calendar Year during the Term of the Agreement, Operator shall make payment to the Owner equal to 30% of said Calendar Year Operating Profit within 30-days after the end of the subject Calendar Year. Operator shall retain the 70% remainder of the Operating Profit for the subject Calendar Year. If after the Annual Independent Audit, an adjustment is made to the Operating Profit for the subject Calendar Year, Operator and Owner agree to adjust the previously made Operating Profit payment to the Owner, as appropriate to reflect a payment of 30% of the Operating Profit amount determined by the Annual Independent Audit.

11.0 EXCUSED PERFORMANCE UNDER FORCE MAJEURE.

Neither the Operator nor Owner shall be liable for any failure or delay in the performance of its obligations pursuant to this Agreement (and such failure or delay shall not be deemed a default of this Agreement or grounds for termination hereunder) so long as the failure or delay in performance of any such obligation is caused by a Force Majeure.

12.0 OWNER OBLIGATION TO PROVIDE ACCESS: EXCLUSIVE POSSESSION AND USE.

Owner shall take all such action as shall be necessary or which Operator shall reasonably request in order to ensure that Operator and other persons providing services hereunder shall have access to the DAP and all surrounding areas owned or controlled by Owner for purposes of fulfilling Operator's obligations hereunder, and quietly enjoy the rights afforded to Operator without hindrance, disturbance or molestation by Owner or any other person. Subject to the terms of this Agreement, Operator shall be entitled to the possession and use of the DAP and all ancillary facilities (e.g. parking lots) during the Events.

13.0 ENCUMBRANCES

Owner represents there exist no encumbrances on the DAP Real Property and shall consult with Operator prior to creating any such encumbrances.

14.0 TERM; TERMINATION; OPERATION, NON-ABANDONMENT

788 **14.1 Term; Option to Extend or Renegotiate New Term.** The term of this
789 Agreement shall be three (3) years from the Acceptance Date, unless earlier terminated as
790 provided in this Agreement. If, prior to the expiration of the first Term of this
791 Agreement, it is determined that a Minor League Baseball Museum will be built in
792 Durham, Operator shall have a first right of refusal to extend this Agreement, subject to
793 City approval, or renegotiate a new agreement with the Owner for two additional five (5)
794 year terms. Operator must provide Owner at least 6-months prior written notice, if it
795 elects not to extend or renegotiate the terms of the Agreement. Such option to extend or
796 renegotiate does not restrict City's right to terminate this Agreement in accordance with
797 the provisions of section 14.2. The Parties shall make a good faith effort to negotiate
798 successive renewal options upon terms mutually agreeable to the Parties.
799

800 **14.2 Termination.** The City and Operator shall each have the right to
801 terminate this Agreement upon 60 days advance notice in the event of a material breach
802 of this Agreement by the other Party. Operator shall have the right to terminate this
803 Agreement upon 60 days advance notice in the event City materially breaches its
804 obligation to make a Capital Expenditure that is necessary to allow the Operator to
805 perform its obligations hereunder. The 60-day notices shall describe all of the reasons for
806 the termination. The Agreement shall not be terminated under this subsection for
807 breaches as to which the Party receiving the notice commences correction or cure within
808 15 days of receiving notice, continues to diligently pursue correction or cure, and during
809 the 60-day period makes substantial progress in correcting or curing (with delays caused
810 by events of Force Majeure being excused with respect to all provisions of this
811 subsection), or for breaches that are corrected or cured during the 60-day period.
812

813 **14.3 Peaceful Surrender.** The Operator shall, upon the expiration or earlier
814 termination of this Agreement for any reason, peacefully surrender to the City the DAP.
815

816 **14.4 Continuous Operation; Non-Abandonment.** Regardless of operational
817 results, Operator shall continuously operate the DAP and comply with its obligations
818 under this Agreement during the Term, shall not abandon the DAP, and shall use
819 commercially reasonable efforts to reasonably maximize DAP usage subject to Force
820 Majeure.
821

822 **15.0 REPAIR, MAINTENANCE AND IMPROVEMENTS**

823

824 **15.1 Operator Responsibility for Repairs and Maintenance.** Operator shall
825 maintain the DAP Real Property and make or cause to be made all Repairs and
826 Maintenance necessary to keep the DAP Real Property in compliance with the Operating
827 Standards. Operator shall be responsible for Repairs and Maintenance costs and
828 operating fees and expenses that are related to, or arise in connection with operation of
829 the DAP including necessary routine repairs and preventative maintenance, except for
830 Repairs and Maintenance costs, operating fees and expenses that are related to, or arise in
831 connection with the operation of Exempt City Reserved Events which shall be the
832 responsibility of City consistent with the requirements of this Section 15. The Operator
833 and City represent and warrant that any Repairs and Maintenance shall be completed in
834 compliance with all Legal Requirements. The cost of Repairs and Maintenance incurred

by Operator shall be treated as an Expense in determining Operating Profit; provided, however, that in no event shall the responsibilities of Operator include the obligation to repair, or otherwise maintain, the structural integrity of the DAP that constitute Capital Expenditures or other matters relating to construction renovation defects. Construction renovation defects are defects in design, materials or workmanship in the renovation of the DAP.

Operator Repair and Maintenance responsibilities of the DAP Real Property shall include:

15.1.1 Keep and maintain the playing field in a good, first-class condition suitable for baseball games, including but not limited to all natural turf areas, all dirt areas, dugouts, foul lines and foul territory, base paths, pitcher's mound, bullpens, warning track, and coach's boxes. The Operator shall provide such field maintenance equipment (including a suitable covering for the playing field during inclement weather) and groundskeeping and other field maintenance services as are appropriate to maintain a quality playing surface for baseball game. Prior to baseball games for which the Operator may oversee pursuant to this Agreement with the Owner, the Operator shall prepare and line the playing field. The Operator shall perform and pay all costs of field restoration required as a result of damage to the playing field caused by, during or in connection with any baseball games and other Events performed at the DAP other than Exempt City Reserved Events for which the City will be responsible.

15.1.2 Keep and maintain in good repair and condition the hitting screen, batting cage and all other on-field baseball FF&E provided at the DAP by the Owner or Operator on the Acceptance Date. Unless initially provided by the Operator, the Operator shall not be responsible for replacement of such equipment if it becomes unrepairable through normal wear and tear.

15.1.3 Provide or cause to be provided all FF&E for the Operator administrative offices, Operator souvenir store, and any portion of the DAP Real Property occupied or controlled by the Operator. The Operator shall keep and maintain in good order, repair and condition the home and visiting team occupied spaces, manager's offices, and all other spaces occupied or controlled by the Operator (except for the structural components of the DAP Real Property subject to Capital Expenditures). The Operator shall be responsible for replacing burned out stadium light bulbs and light bulbs present in any scoreboard(s) and any portion of the DAP Real Property occupied or controlled by the Operator. The Operator agrees to subcontract for the replacement or repair of stadium and/or scoreboard light bulbs and associated routine replacement parts. The Operator shall be responsible for painting any areas of the Premises occupied or controlled by the Operator in colors satisfactory to the Owner.

15.1.4 Maintain, repair, and be responsible for replacement of any FF&E provided by the Operator.

882 **15.1.5** For Events other than Exempt City Reserved Events, provide for,
883 or cause to be provided, janitorial and housekeeping services and supplies in the
884 all areas of the DAP Real Property. Janitorial services shall include dumpsters for
885 waste removal and pest control services,
886

887 **15.1.6** Operator shall have, on-call 24 hours a day, seven days a week, an
888 employee available to respond to DAP Real Property related maintenance, repair
889 and security issues that may arise.
890

891 **15.2 Owner Responsibility for Improvements and Capital Expenditures.**

892 Owner shall make all Capital Expenditures to the DAP Real Property that are necessary
893 in order not to interfere with the Operator's abilities (i) to comply with the Operating
894 Standards and (ii) to safely operate the DAP. The Owner represents and warrants that
895 any Capital Expenditure shall be completed in compliance with all Legal Requirements
896 and subject to the discretionary authority of the City Council. Each Calendar Year after
897 the Acceptance Date, Operator shall submit to the Owner, in accordance with the
898 Owner's Capital Improvement Program (CIP) schedule (as the same may be amended
899 from time to time), the Capital Expenditures Budget for the next Owner's fiscal Year. In
900 preparing and submitting the Capital Expenditures Budget, Operator shall provide details
901 requested by the Owner and any supporting documentation necessary and reasonably
902 requested by the Owner to establish the need for the Capital Expenditure and the
903 Operator's estimate of its cost, including all estimated soft costs, design fees,
904 construction, permitting, fees, allowances, overhead and contingencies. The Owner shall
905 have until the following June 30 to review and approve such Capital Expenditures
906 Budget, such approval not to be unreasonably withheld with respect to Capital
907 Expenditures that are required, in Operator's reasonable judgment, to keep the DAP in
908 compliance with the Operating Standards. Thereafter, the Parties will attempt to resolve
909 in good faith any objections so specified by Owner. Owner shall proceed with the
910 implementation of any portion of such Capital Expenditures Budget that is not in dispute,
911 subject to section 15.2.1. If Owner refuses to make any Capital Expenditure that it is
912 required by this Agreement to make, then Owner shall assume the liability, if any, caused
913 by that refusal.
914

915 **15.2.1** The Parties acknowledge and agree that the implementation of
916 approved Capital Expenditures may take months or even years to complete,
917 depending upon the available funding and the activities taking place at the DAP.
918 The Parties agree to work diligently and in good faith to arrange a reasonable
919 schedule for the completion of Capital Expenditures that accommodates the
920 Owner's funding schedule and minimizes disruption to DAP activities. The
921 Owner shall be responsible for the procurement of contractors for Owner-
922 approved Capital Expenditures, provided that Owner may, in its discretion, use its
923 own forces instead of or in addition to contractors for such work.
924

925 **15.2.2** Operator shall make no Capital Expenditures without the express
926 written approval of Owner. Owner may, in its sole discretion, delegate authority
927 to Operator to undertake any of the activities contemplated in undertaking a
928 Capital Expenditure, on such terms and conditions as are mutually acceptable to

the Parties. In the event that a Capital Expenditure must be undertaken which has not been provided for in the Capital Expenditures Budget, including in an emergency situation, Operator shall notify the Owner General Services Department of such needed Capital Expenditure. Upon notice, Owner shall promptly and diligently take such actions as are reasonably necessary to complete such Capital Expenditure as quickly as reasonably possible, funding and DAP schedule permitting. If (i) the failure to complete such Capital Expenditure within a given period of time would necessitate the cancellation of the next Event scheduled after Operator notifies Owner of such needed Capital Expenditure; and (ii) the Capital Expenditure should reasonably be able to be completed within that period of time, then Owner shall be required to complete such Capital Expenditure within that period of time.

15.2.3 In an emergency situation, if (i) Operator has notified Owner of such needed Capital Expenditure, and (ii) Owner has not responded within a reasonable period of time, but in any event not later than 5 (five) Business Days, Operator shall be entitled to undertake such Capital Expenditure. Within a reasonable period of time after receipt from Operator of full and detailed documentation of any Capital Expenditure in the form of contracts, plans and specifications if any, and paid invoices, and other documentation reasonably requested by Owner, Owner shall reimburse Operator for Capital Expenditures undertaken by Operator pursuant to this section, provided that Operator has complied with applicable state procurement and contracting statutes. Operator shall take such reasonable measures to notify Owner of emergency repairs that may be an insurable loss, with the reasonable exigencies of operational needs. "Emergency" is used in this section means cases of special emergency involving the health and safety of the people or their property.

15.2.4 For purposes of interpreting this section 15.2.4, but only this section 15.2.4, the capitalized word "Repair" means "repair, maintenance, alteration, improvement, renewal or replacement." If (i) a Repair is necessary to keep the DAP in accordance with the Operating Standards, (ii) the Repair is not explicitly defined in this Agreement as a Capital Expenditure or as Repair and Maintenance, and (iii) Operator and Owner disagree as to whether it should be treated as a Capital Expenditure or as Repair and Maintenance, then such Repair may be undertaken and the cost thereof paid out of Gross Revenues as if it were Repair and Maintenance if it is less than \$3,250 per each individual Repair of the DAP Real Property or each Unit of FF&E; or paid by the Owner as if it were a Capital Expenditure if it is equal to or greater than \$3,250 per each individual Repair of the DAP Real Property or each Unit of FF&E. Whichever Party undertakes such a Repair shall make available and subject to audit full and detailed documentation in the form of contracts, plans and specifications if any, and paid invoices upon completion of each such Repair and such other documentation as the other Party reasonably requests. As part of the Annual Independent Audit performed after the end of each Calendar Year, the Independent Accountant shall determine whether such Repair should be treated as a Capital Expenditure or as Repair and Maintenance. If the Independent

Accountant determines that such Repair was treated as a Capital Expenditure and paid for by Owner when it should have been treated as Repair and Maintenance and paid for as an Expense, the Financial Statements shall be adjusted to correctly reflect the cost as an Expense, and the Operator shall reimburse the Owner for 100% of the cost, at the time that the Operator also remits to the Owner its 30% share of Operating Profit, or if there is no Operating Profit, at the time that the Operator would have been required to remit the 30% share. If the Independent Accountant determines that such Repair was treated as Repair and Maintenance and paid for as an Expense when it should have been treated as a Capital Expenditure and paid for by Owner, the Financial Statements shall be adjusted to remove the cost as an Expense, and the Owner will reimburse Operator for 100% of the cost, at the time that Operator remits to the Owner its 30% share of Operating Profit, or if there is no Operating Profit, at the time that the Operator would have been required to remit the 30% share. If the Owner owes the Operator for Capital Expenditures, the Operator shall have the right to withhold the amount due from the Owner's 30% share of Operating Profits should they exist.

15.3 Operator's Liability for Negligence. Subject to sections 7.10 and 19.2 (Indemnification by Operator), it is agreed that the cost of all Capital Expenditures shall be borne solely by Owner, shall not be paid from Gross Revenues, and shall not be treated as an Expense; provided, however, that, without limiting the effect of the provisions of sections 7.9, 7.10 and 19.0 (Indemnification), it is agreed that Operator shall be solely financially responsible for the cost of all repairs, maintenance, alterations, improvements, renewals or replacements (including Capital Expenditures and Repairs and Maintenance), including fees and legal expenses, to the extent the cost results from willful, fraudulent or negligent acts or omissions of Operator, its employees or independent contractors.

15.4 Owner's Liability for Negligence. Without limiting the effect of the provisions of sections 7.9, 7.10 and 19.0 (Indemnification), it is agreed that Owner shall be solely financially responsible for the cost of all repairs, maintenance, alterations, improvements, renewals or replacements (including Capital Expenditures and Repairs and Maintenance), including fees and legal expenses, to the extent the cost results from willful, fraudulent or negligent acts or omissions of Owner, its employees or independent contractors.

15.5 Guaranties and Warranties. Owner shall furnish to Operator copies of all guaranties and warranties relating to the renovation project of the DAP in Owner's possession or control. Operator shall see that all work done to or in the DAP that is the Operator's responsibility includes obtaining guaranties and warranties that are consistent with industry standards and shall use all reasonable efforts to enforce all such guaranties or warranties. Owner shall cooperate with Operator in such efforts. During any applicable guaranty or warranty period, Operator shall maintain equipment in accordance with the terms of the guaranty or warranty including, if necessary, the negotiation, execution and administration of maintenance contracts as set forth in section 15.6 below. Upon expiration of any such guaranty or warranty, Operator shall, in its reasonable determination, either purchase an extension, if available, to such guaranty or warranty, or

*DAP Operating Agreement by and between the City of Durham and
MiLB Management LLC.*

1023 maintain in accordance with the manufacturer's specifications and standards on the
1024 equipment no longer guaranteed or warrantied, including, if necessary, the negotiation,
1025 execution and administration of maintenance contracts as set forth in section 15.6 below.

23.0 MISCELLANEOUS PROVISIONS

23.1 Annual Report to the City. After completion of the Annual Independent Audit but prior to the submission of the Capital Expenditures Budget, Operator shall prepare and submit an annual report to the City outlining operational performance of the DAP, financial and otherwise, for the prior Calendar Year. The annual report shall highlight successes and accomplishments and provide forecasts of performance for future Calendar Years of operation. The annual report shall also provide for any recommendations on how to improve the functionality of the DAP and operations.

23.2 NCCU Hospitality Program. Operator shall reasonably attempt to develop a program with NCCU to allow training and educational opportunities for NCCU students enrolled in NCCU's hospitality program.

23.3 Turnover of DAP to Operator. It is contemplated that the Operator may have the opportunity to occupy portions of the DAP that are able to be lawfully occupied prior to the issuance of the final Certificate of Compliance for the DAP. In such event, City, Operator and the DAP contractor will in good faith negotiate an agreement defining the rights and obligations of each party relative to a partial occupancy, if it shall occur. The remainder of the DAP (or, if the Operator has not occupied any portion before the issuance of the final Certificate of Compliance for the DAP, the DAP) shall be turned over to Operator on the Acceptance Date. When the Acceptance Date occurs, City shall deliver to Operator an executed Acceptance Date Certification.

23.4 City Access; Right of Inspection. City shall have the right to access and to inspect the DAP at reasonable hours with reasonable notice to Operator.

23.5 Equal Opportunity/Equity Assurance. The provisions of this section 23.5 shall apply only to contracts of \$100,000 or more.

23.5.1 General Requirements.

(a) Operator shall meet with the Director of the City's Department of Equal Opportunity/Equity Assurance (EO/EA) annually to discuss potential contracting opportunities for goods and services for small disadvantaged businesses certified by the City (SDBEs).

(b) The Director may set project specific goals as the Director determines to be generally applicable under Chapter 26 (as amended from time to time) in City contracting.

(c) In all solicitations for which goal(s) are established, Operator will not enter into contracts for goods or services without first soliciting bids from SDBEs and requiring bidders to submit a Participation Plan to meet the goal(s). Bidders must state their SDBE participation in a manner like that required by bidders on contracts to be awarded by the City. If a bidder fails to achieve the goal(s), the bidder must submit documentation to Operator of its good faith efforts

to achieve the goal(s) within two working days after bid opening. Operator shall take all reasonable actions needed to see that bidders comply with this subsection. Operator shall make bids and documentation of good faith efforts available to the Director.

(d) Operator will notify the Director of EO/EA of upcoming contracting opportunities to ascertain the availability of SDBEs that might be capable of supplying the pertinent goods or services. Each such notice shall be given in a manner and schedule so that the SDBEs will have a reasonable amount of time to respond.

(e) Operator will provide quarterly reports using the attached form, "Exhibit E" (CITY OF DURHAM SUBCONTRACTOR QUARTERLY RECORD OF PAYMENT REPORT), on all contracting activity to the Director for reporting to the City Council. The reports are due the last day of April (for January – March), July (for April – June), October (for July – September) and January (for October – December).

(f) Operator shall comply with all applicable provisions of Chapter 26. The failure of Operator to comply with that chapter shall be a material breach of contract which may result in the rescission or termination of this Agreement and/or other appropriate remedies in accordance with the provisions of that chapter, this Agreement, and State law. The Participation Plan submitted by Operator in accordance with that chapter is binding on Operator.

(g) Section 26-10(f) of Chapter 26 provides, in part, "If the City Manager determines that [Operator] has failed to comply with the provisions of [this Agreement], the City Manager shall notify [Operator] in writing of the deficiencies. [Operator] shall have 14 days, or such time as specified in [this Agreement], to cure the deficiencies or establish that there are no deficiencies." It is stipulated and agreed that those two quoted sentences apply only to [Operator's] alleged violations of its obligations under Chapter 26 and not to [Operator's] alleged violations of other obligations.

23.5.2 Remedies. The Parties recognize that the City considers the obligations of Operator under subsection 23.5.1 above to (1) further an important policy of the City for the benefit of the public; (2) be material to this Agreement, and (3) be part of the reason that the City is willing to enter into this Agreement. The Parties recognize that the City will suffer financial loss if Operator does not comply with its obligations under subsection 23.5.1. The Parties recognize that the City could terminate this Agreement if Operator materially breaches its obligations under subsection 23.5.1, and that such a termination would result in monetary losses to the City. The Parties also recognize the delays, expense, and difficulty to both Parties involved in proving or contesting the amounts of those losses. Instead of requiring proof of those amounts, it is agreed that Operator shall be liable for and shall pay the City the amount specified herein as liquidated damages, and not as a penalty. The amounts stated as liquidated damages are

1493 agreed to be reasonable estimates of the City's losses and expenses for delays,
1494 including administrative costs. The City may collect liquidated damages by
1495 retaining moneys otherwise due Operator in the amount of such damages, and by
1496 other legal means. Nothing in this subsection 23.5.2 shall reduce the City's rights
1497 under other provisions of this Agreement, any applicable statutes or ordinances,
1498 or any applicable principle of law. In its discretion, the City may waive some or
1499 all liquidated damages against Operator. Such a waiver is valid only if done by a
1500 signed writing that refers specifically to this subsection 23.5.2 and specifically
1501 mentions "liquidated damages." If the City seeks an injunction to require
1502 compliance with any portion of subsection 23.5.1, Operator hereby agrees to
1503 waive any contention that the injury from the noncompliance would not be
1504 irreparable or that the City has an adequate remedy at law.
1505
1506

1507 The damages shall be as follows:

1508 For Operator's failure to comply with subsection 23.5.1(a): \$200 for the first two weeks
1509 of noncompliance; \$300 for the second two weeks of noncompliance; and \$200 for each
1510 subsequent week.

1511 For Operator's failure to comply with subsection 23.5.1(c), except for failure to make
1512 bids and documentation of good faith efforts available to the Director: One percent of the
1513 amount of the payments made by Operator under each contract entered into in violation
1514 of subsection 23.5.1(c), unless the goals were met or good faith efforts were made with
1515 respect to that contract.

1516 For failure to make bids and documentation of good faith efforts available to the Director
1517 as required by subsection 23.5.1(c): \$100 for the first week of noncompliance; \$200 for
1518 the second week; and \$300 for each subsequent week.

1519 For noncompliance with subsection 23.5.1(d): One percent of the amount of the
1520 payments made by Operator under each contract entered into in violation of subsection
1521 23.5.1(d), unless the goals were met or good faith efforts were made with respect to that
1522 contract.

1523 For noncompliance with subsection 23.5.1(e): \$200 for the first two weeks of
1524 noncompliance; \$300 for the second two weeks of noncompliance; and \$200 for each
1525 subsequent week.
1526

1527 **23.5.3 Definitions.** In this document, words, including "SDBE" and the
1528 "Director" shall have the meaning assigned in Chapter 26, unless the context
1529 requires otherwise. "Chapter 26" means Chapter 26 of the Durham City Code
1530 (Equal Business Opportunities Ordinance).
1531

1532 **23.6 Non-Waiver.** No action or failure to act by either Party shall constitute a
1533 waiver of any of its rights or remedies that arise out of this Agreement, nor shall such
1534 action or failure to act constitute approval of or acquiescence in a breach thereunder,
1535 except as may be specifically agreed in writing.
1536

23.11 Compliance with Law. In performing all of their respective obligations under this Agreement, the Operator and the City shall comply with all Legal Requirements.

23.12 City Policy. THE CITY OPPOSES DISCRIMINATION ON THE BASIS OF RACE AND SEX AND URGES ALL OF ITS CONTRACTORS TO PROVIDE A FAIR OPPORTUNITY FOR MINORITIES AND WOMEN TO PARTICIPATE IN THEIR WORK FORCE AND AS SUBCONTRACTORS AND VENDORS UNDER CITY CONTRACTS.

23.13 EEO Provisions. In this section, "the Contractor" means the Operator, and "this Contract" means this Agreement. During the performance of this Contract the Contractor agrees as follows:

23.13.1 The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, political affiliation or belief, age, or handicap. 1634
1635 **23.13.5** Unless exempted by the City Council of the City of Durham, the
1636 Contractor shall include these EEO provisions in every purchase order for goods
1637 to be used in performing this Contract and in every subcontract related to this

1645 not valid unless signed by both parties and otherwise in accordance with requirements of
1646 law. Further, a modification is not enforceable against the City unless the City Manager
1647 or a deputy or assistant City Manager signs it for the City. This Agreement contains the
1648 entire agreement between the parties pertaining to the subject matter of this Agreement.
1649 With respect to that subject matter, there are no promises, agreements, conditions,
1650 inducements, warranties, or understandings, written or oral, expressed or implied,
1651 between the parties, other than as set forth or referenced in this Agreement.
1652

1653 **23.16 Assignment. Successors and Assigns.** Without the Owner's written
1654 consent, the Operator shall not assign (which includes to delegate) any of its rights
1655 (including the right to payment) or duties that arise out of this Agreement. The City
1656 Manager may consent to an assignment without action by the City Council. Unless the
1657 Owner otherwise agrees in writing, the Agreement and all assignees shall be subject to all
1658 of the City's defenses and shall be liable for all of the Operator's duties that arise out of
1659 this Agreement and all of the City's claims that arise out of this Agreement. Without
1660 granting the Operator the right to assign, it is agreed that the duties of the Operator that
1661 arise out of this contract shall be binding upon it and its heirs, personal representatives,
1662 successors, and assigns.
1663

1664 **23.17 City's Manager's Authority.** To the extent, if any, the City has the

1677 that the law in effect as of the date of this Agreement provides that North Carolina is a
1678 right to work state and that the City is prohibited from collective bargaining. The parties
1679 agree that changes in those laws shall not affect the obligations of the parties to comply
1680 with this Agreement.

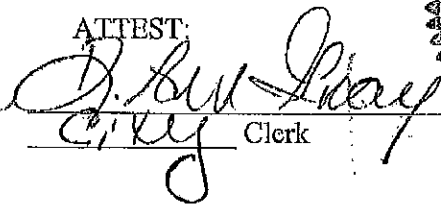

*DAP Operating Agreement by and between the City of Durham and

23.20 Arm's Length Transaction. The Parties agree that this Agreement is the result of arm's length negotiations, and that any ambiguity or uncertainty herein, if any, shall not be interpreted against either party.

IN WITNESS HEREOF, the parties have executed this Contract on the date set forth above.
